What are the benefits of SeatMatch?

Industry Leading Lead times

With our manufacturing service based in the UK and our 24 hour carving operation, we are able to offer the best lead times on the market (10 working days from scan to mid-fit and 10 days to handover).

Clinical Experience

Working closely with clinical therapists and partners to develop the best possible products to the wider market.

The Personal Touch

Whether it be from our experienced and dedicated SeatMatch team or the personalisation of products from our hydro-dipping service.

Variety of Solutions

As well as our Custom Contoured Seating (CCS) we are able to offer Moulded Seating Inserts (MSI), Toileting, Shower and Matrix Seating. All with a variety of interface and wheelbase options.

High Quality and Unique

Every material we use has been selected because of its durability and pressure relieving qualities. All of our foams are sprayed with a water resistant spray to prevent damage and every seat is supplied with 2 machine washable covers.

RMS Working in partnership with the **NHS**

We operate to the CECOPS standard and are accredited with ISO 13485 Medical Devices Quality Management System.
